ORGANIZATIONAL ANNOUNCEMENT

With immediate effect, I am pleased to announce the appointment of **Jeffrey Douglas** to the position of Director of Sales, North America. Reporting to me, Jeff will be responsible for all sales and marketing functions within the above defined area for HOKE, GO Regulator, Circle Seal Controls and TOMCO.

Prior to joining CIRCOR Instrumentation Technologies (CIT), Jeff has served in a series of positions, with increasing levels of responsibility, culminating with his current position of Vice President, Refrigeration and Air Conditioning – Aftermarket for Danfoss Incorporated. In addition to the above, Jeff served four years as the Director of Sales & Marketing for the Henry Valve Company along with positions as Sales Manager and General Manager with Alfa Laval, Inc.

Jeff is a degreed Chemical Engineer, as well as a Licensed Professional Engineer. Having been employed in the sales and marketing of industrial products for over sixteen years, Jeff possesses broad product and application knowledge of industrial components and value added services. In addition to his strong technical acumen, Jeff has an extensive and successful background leading factory sales teams and distribution/representative channels to quantifiable top and bottom line improvements.

Jeff and his family will be relocating to the southeast and Jeff will be working out of our Spartanburg, South Carolina facility. Jeff's contact information is as follows:

Phone 864-595-5214
Fax 864-587-5606
e-mail jdouglas@circortech.com

Jeff's cell phone contact information will be distributed as soon as it becomes available.

Please join me in welcoming Jeff to the CIRCOR Instrumentation Technologies team.
